One-Stop Center/WIOA Orientation - The OC One-Stop Orientation will provide you with information about the Workforce Innovation and Opportunity Act and the services available at the One-Stop Center and through community resources and partners. You will also learn about the programs, educational opportunities, tools and resources available to help you in your job search.

Winning Resumes - Learn how to create a resume and what an employer wants to see. Become familiar with multiple resume styles and cover letters. Discover how to successfully work with computerized ATS systems. Understand the importance of keywords and spend time developing your resume in class.

Interview Skills - This workshop covers the different types of interviews, what to expect, how to prepare and appropriate follow-up after your interview. You will learn the top questions interviewers ask and develop your winning response in class while taking part in a mock interview.

Networking/ Hidden Job Market - Explore different networking techniques and how to tap into the hidden job market. Learn how to initiate and build contacts, start a networking conversation, and create a self-marketing plan. Develop your own introduction or "30 second commercial."

Transferable Skills - The concept of transferable skills is a vital job-search technique that all jobseekers should master, especially career changers, college students, and those re-entering the workforce. Transferable skills are skills you have acquired during any activity in your life--virtually any skills are transferable and applicable to what you want to do in your next job. You also will take assessment tests that highlight your strengths and assess the skills you can transfer to another career.

LinkedIn—Beginner/Intermediate - Learn how to create a LinkedIn account and build your professional profile. You will learn about the basic features of LinkedIn to expand your professional networking opportunities. You will also learn tips on how to utilize privacy settings on social networking sites to ensure successful job search strategies.

Successful Financial Strategies - Assess your current financial situation, especially as a job seeker. Whether you are experiencing financial difficulties for the first time or have experienced ongoing financial problems, learn the steps to develop a financial recovery plan. Identify ways to increase income, decrease expenses, understand basic taxation, and rebuild your credit so you can build a solid financial foundation.

Empowering You: Job Seeker Strategies: This workshop is designed to assist job seekers who are interested in taking charge of their job search by exploring who they are, what they want and how to get there. Searching for a job is a continuous process that allows you to move from one stage to another stage as your life changes. This workshop will teach you about the latest job search processes, tools and strategies.
